Artists Designated Hours

Set up any time after 12:00 P.M. on Thursday, June 24 until 8:00 P.M. The festival will be running Friday, June 25 and Saturday, June 26 from 10:00 A.M. to 8:00 P.M., or later if traffic warrants. The Visual Arts Committee will determine any exceptions to these hours. **If you leave Saturday night this must be noted on your application, as that will be the determining factor on assigned spaces within the park.**

Rules and Expectations

- ❖ All art must be the product of the accepted artist who must be present during the festival.
- ❖ The booth size is 10 x 10 ft and requires a WHITE canopy. Any exception to this rule will be determined by the Visual Arts Committee. If you have a blue or any other color, do not expect to use it. Certain exceptions will be made for ground standing cement pots or items of similar.
- ❖ You may request more than one booth; however, you must pay the additional \$100.00 for the space and you may share a booth with another artists who must also submit selection committee (jury) fee and pictures. Each entry will be judged on its own merit and must be indicated on the application form.
- ❖ You cannot sell any candy, food, drinks (including bottled water) and you cannot fill jars, boxes, bottles, etc. with any other types of food, as they will be removed from your booth. This is in compliance with Tooele County Health Regulations.
- ❖ You cannot dismantle or drive vehicles into the park area prior to designated time frame, except in the event of emergency, illness, etc. in which case the Directors of Visual Arts must be notified immediately and action will be taken accordingly.
- ❖ Previous participation in the festival does not guarantee that you will be allocated or have the same space this year. You may request this on your application, but unless it is of critical nature, **please accept your assigned space.**
- ❖ The selection committee (jury) will be reviewing on a daily basis to ensure that no commercial/mass produced items are displayed. We realize that this action benefits you as an artist as well as producing a quality festival. If any item is deemed not adhering to the rules the items will be removed from your booth and you will jeopardize your chance for consideration in future festivals.
- ❖ The Tooele Search & Rescue Unit will be on site from Thursday evening, June 24, 2010 through Sunday morning. For weather conditions and additional security, you must "wrap" your canopy each night and it must be FIRMLY secured to the ground.
